<p>1. We appreciated receiving the mimeographed copy of your T/O as of 2 February 1959. This will permit us to make the necessary adjustments in our Position Inventory.</p> <p>2. There are certain changes that have been made which we wish to bring to your attention:</p> <p>a. The Personnel Technician position number 8199 was deleted and at the same time the Supply Assistant position number 8710 was transferred from Material Section to the Administrative Section. This is the position you list as Housing Officer which is occupied by [REDACTED]</p> <p>b. The position formerly occupied by [REDACTED] was deleted at the time we added [REDACTED] position.</p> <p>c. The Equipment Specialist that you have under Medical belongs under Operations Section. It is the Weather Equipment Specialist 8756 to which the [REDACTED] man is assigned. We added this position to our T/O due to the fact that [REDACTED] was not able to continue providing us with personnel on a T/O basis.</p> <p>d. Does your lineup of [REDACTED] personnel represent the functional alignment? Unless we hear to the contrary, we are setting up our Position Inventory to show the composition of crews as you have indicated. We note that the [REDACTED] crew has five members. Where is the fifth man going when [REDACTED] joins you?</p> <p>3. Under separate cover we are forwarding the [REDACTED] housing setup. We were pleased to receive this as it shows us the exact location of each individual. We would appreciate it to have a breakdown showing your housing assignments.</p> <p style="text-align: right;">C/O [REDACTED] 25X1</p> <div style="border: 1px solid black; width: 380px; height: 110px; margin: 10px auto;"></div> <p>Attachment A/S Under S/C</p> <p>Distribution 1, 2 &amp; 3 - Addressee 4 - Admin [REDACTED] 5 - Personnel 6 - Chrono AHD:ark 17 February 1959</p>
